

Admissions Policy

1. Aims

The aims of this policy are:

1.1 To ensure compliance with the School's purposes. Cranleigh Abu Dhabi is a British curriculum school within an international setting, with a strong United Kingdom Independent school ethos akin to Cranleigh UK in terms of its values, curriculum and all round education. Therefore, it evaluates pupils for entry in order to ensure that they are capable of accessing all aspects of the curriculum and to inform planning for teaching and learning.

1.2 To identify and admit children who will benefit from a broad academic, as well as, all round education and who will contribute to and benefit from the ethos and activities of our School community. The evaluation of children seeks to ensure their happiness and well-being within the academic environment on offer: places are offered (or not) from this perspective.

2. Equal Treatment

We welcome children from different ethnic groups, backgrounds and creeds. Human rights and freedoms are respected but must be balanced with the laws of the United Arab Emirates, our School community and the rights and freedoms of others. All candidates for admission will be treated equally, irrespective of their or their parents' race, colour, language, religion, political or other opinion, national or social origin, association with a national minority, orientation, property, birth or other status.

3. Disability and Special Educational Needs

Admissions Policy

The School has limited facilities for the disabled but will do all that is reasonable to comply with its legal and moral responsibilities in order to accommodate the needs of applicants who have disabilities.

The School should be made aware of any known disability or special educational need which may affect a child's ability to take full advantage of the education provided at the School. Parents of a child who has any disability or special educational needs should provide the School with full written details at registration.

Similarly, if special education needs or a disability become apparent after admission, the School will consult with parents to discuss adjustments that may enhance a child's experience.

We recognise that a candidate's performance may be affected by particular circumstances, for example:

6.1 If he/she is unwell when taking tests or has had a lengthy absence from his/her school;

Admissions Policy

6.2 If there are particular family circumstances such as a recent bereavement;

6.3 If the candidate has a disability or specific learning difficulties;

6.4 If English is not the candidate's first language.

If any of these situations apply, we may request further information such as a medical certificate or an educational psychologist's report and any associated correspondence or details from the pupil's current school.

7. Disclosures

Parents must as soon as possible disclose any particular known or suspected circumstances relating to their child's health, allergies, disabilities or Special Educational Needs (SEN).

8. Additional Factors

The School is oversubscribed in many year groups. If we have to decide between two or more candidates who meet our admission requirements after all appropriate allowances and special consideration has been given, at the Headmaster's discretion, we may give preference to:

8.1 A child who already has a sibling in the School or whose parent is a former pupil here or from our sister school, Cranleigh in the UK;

8.2 A child whose parent is a current member of our staff;

8.3 A child with a particular skill, talent or aptitude.

9. Places Offered

Admissions Policy

9.1 At the Headmaster's discretion, places are offered and a 'standard form of acceptance' must be completed along with a signed copy of the Terms & Conditions. An Acceptance Fee (reimbursable against the first term's fees) to hold a place will be required in accordance with ADEK guidelines.

9.2 Once a place has been taken up, as a courtesy to the School and other families holding out for a place on the waiting lists, a full term's notice should be given in writing to the Headmaster if the pupil is to be withdrawn.

10 For a child to be formally offered a place, the following criteria need to be met:

10.1 All information supplied must be factually correct and accurate;

10.2 If currently attending a UK independent school, the school must be informed by way of a term's notice and/or all financial obligations met.

11 Waitpool

11.1 At the Headmaster's discretion, priority is given to siblings of current pupils wherever possible, providing they are of the required academic standard.

If we are unable to offer a place to a candidate due to lack of spaces, they may be placed into the waitpool until such time a place becomes available. This is not an assurance that a place will become available and is dependent on current families leaving for spaces to become available.

12 Register of Enrolments (Admissions)

The School will hold a Register of Enrolments (Admissions) on iSAMS (School Management System) and OpenApply (School Admissions system). This will include all the information listed in an easily accessible format. Admissions Records will be kept for each individual pupil on roll as follows:

12.3 Name and address of the parent/s of the pupil, and in the case of a family whose parents live separately, an indication of the parent with which the pupil normally resides;
