17	TBC	8 th July

PRIVATE EDUCATION SECTOR

Guidelines and Regulations:

- * Test is available in four mandatory subjects (English, Math, Physics and Arabic) for students who would like to take the test. In addition, two makeup tests in English and Math are available.
- * New centers have been opened for the convenience of students and their parents.
- * Preventive and precautionary measures will be taken to ensure students' safety.
- * Students must wear masks and gloves before entering the test center.
- * Students' temperature will be checked through thermal cameras; those who display any symptoms that are relevant to Covid-19 infection will be prohibited from entering the test hall.
- * Students must bring their Emirates ID even if it is expired. Smart (Digital) IDs are accepted.
- * No family member is allowed to enter the test center or wait in the waiting area.
- * Students must adhere to social distancing measures, and stay two meters away from others.
- * Students must leave the test center immediately after finishing the test; no student is permitted to wait in the center.
- * Students must bring their own calculators for Math and Physics tests. Alternatively, they can use the calculator available on the test system. Students will not be provided with calculators from the test center.
- * Students must reduce number of belongings brought to the center; bring only the key necessities.

Schools, students and parents should closely monitor the EmSAT website for any changes:

http://emsat.moe.gov.ae/emsat/emsat_achieve_en.aspx.

Thank you for your cooperation and support.
