EmSAT

A set of standardized electronic tests based on national standards for measuring and evaluating student performance in the UAE.

Importance of EmSAT

- Supports the decision makers
- University admission
- Placement purposes
- Monitor the effectiveness of schools
- Monitor the quality of education system programs & interventions
- Guides the development of individual students & describe student's learning student performance in the UAE.

EmSAT's Benefits

Grade 12 students

- Admission requirement for public universities and private colleges.
- Admission requirement for military colleges and national service
- Admission requirement for Scholarship outside of the country.
- An alternative to «TOEFL» and «IELTS» tests

Required Subjects of EmSAT

Arabic

English

Math

Physics

Targeted Candidates

The test is mandatory for all grade 12 students

UAE nationals, in all public and private schools (Ministry of Education curriculum and international private curriculum)	Non-Emirati students from private schools affiliated to the Ministry of Education curriculum
Emiratis applying for scholarships abroad	Emiratis and non-Emiratis studying in government continuing education centers
All UAE nationals and non-nationals wishing to complete their studies at a public or private universities in the UAE are required to take the EmSAT as well.	From national service students and applicants to military colleges

EmSAT Policies

Late Policy	Late students will not be allowed to enter the test centers after 30 minutes of starting the test, and the absence is recorded for this test.
Absence Policy	If for some reason the student cannot attend any of the EmSAT tests, he / she will not be allowed to register again except in exceptional cases (illness, family emergency). The student must submit a re-test request to the National and International Examinations Department, explaining the reason for his absence in detail and attaching a medical report issued by a government hospital and certified by the Ministry of Health. Accordingly, the student will be reviewed and informed of the test date assigned to him only if the excuse is approved and the condition applies.
Cheating Policy	If a student cheats or attempts to cheat, his score will not be counted and will be prohibited from taking the Emirates Standard Test for one year.
Certificate Falsification Policy	In case the student attempts to falsify the scores in the EMSAT certificate, his score will not be counted from the test and the case will be referred to the Legal Affairs Department to take the necessary action.

Useful Notes for Students

- Students may examine different subject on separated days.
- There is no failing score for the test, but it is a measure of skills
- Number of subjects required to take the test 5 basic subjects including chemistry for advanced track students only
- Exams are conducted at specific and approved test centers, that are distributed across UAE.
- Students are registered through an ID reader in all government schools, through the school's accredited coordinators.
- In the case of early registration of the test, the student can change or cancel the date and place of the test if necessary, taking into account that this feature closes (12) days before the scheduled date of the test, after which the student will not be able to change the date or cancel the test, but must attend. In case the student does not attend, an absence is recorded. The policy of absenteeism shall apply to it on the official website of EmSAT.
